Course Goals / Description:

This course aims to enhance students' English ability and gradually guide students to cultivate self-learning skills during their studies at the university. Besides the required textbook, students should also utilize online learning resources to reinforce their listening/ reading abilities and enhance vocabulary. **A certain amount of time will be spent on sharpening students' dictation skills during the semester.**

Required Textbook:

John and Liz Soars. (2014) *American English File 4, 3rd Edition*. New York: Oxford University Press. ISBN: 978-0-19-477618-9

Requirements & Rules:

1. Class attendance, lesson preparation and active class participation are required.
 - * I will take attendance every week. An approved leave form stamped by your department or your health insurance card with correct stamp of date by accredited hospitals can be seen as valid proof.
 - * **You are only allowed to ask for three leaves during the semester.** Otherwise, you will lose the 10% of attendance grade.
2. Absence from a class is no excuse for not knowing the assignment and what has been discussed in that class. **It is your responsibility to ask your classmates or me what has been covered in the class.**
3. Turn in assignments on time. Plagiarism on homework will result in an automatic zero on the assignment.
4. **Cheating** on the exam is **absolutely not permitted**. If students are found cheating on an exam, they will get **a zero point** for that exam.
