Course Goals / Description:

This course aims to help students to become efficient and competent readers. Students will learn how to understand and analyze texts through asking questions, making predictions, drawing inferences, and identifying the main idea. Further, students are expected to read extensively outside of class time.

Core capabilities to be cultivated by this course

1. The ability to communicate and express oneself in English 40%
2. The ability to think critically and organize ideas logically in English 20%
3. Having the knowledge of English learning strategies and techniques 10%
4. Having the global views of English and multicultural diversity 10%
5. The ability to use existing English learning resources and to develop an independent self-learning habit 20%

Textbook:

Lorraine C. Smith (2017). *Longman Academic Reading Series 5 (new edition): Reading Skills for College*. Pearson Education. ISBN-13: 9780134773155.
