Course Goals / Description

This course aims to develop listening and speaking skills of students at the high- intermediate level. Through this course, students will be able to communicate in English confidently and fluently for their personal or professional goals. First, students will learn key academic skills through thought-provoking TED Talks in the textbook, titled '21st Century Communication'. Secondly, the authentic English-speaking context and the finely selected content in the textbook will enable students to cultivate their communication skills, English competency, information literacy, and critically thinking. Lastly, the required self-study units and on-line assignment will enhance students' learning motivation and autonomy.

Class Rules

1. Class attendance, lesson preparation and active class participation are required.
2. If absent in case of uncontrollable situations (e.g. illness, emergency, important occasions, etc.), a valid proof should be provided WITHIN TWO WEEKS. (medication bag from accredited hospitals can be seen as a valid proof.) FIVE absences or THREE unexcused absences will yield a failing grade.
3. Absence from a class is NO excuse for not knowing the assignment and what has been discussed in that class. It is YOUR responsibility to ask your fellow classmates what has been covered and what will be doing in the class.
4. Plagiarism and cheating on the exam is absolutely not permitted. If someone is found plagiarizing or cheating on an exam, it means he/she will get a zero point for that exam.
5. There will be NO make-up exams/presentations unless valid and official reasons for absence are presented beforehand.
6. The handouts given in the class should be kept at least till the end of the semester for later reference or final exam.
7. Cellular phone should be turned off during the two-hour class period.
8. Assignments handed in one week after the due date will still be graded. However, there will be a 20% deduction from the grade.
9. It is mandatory to turn on your camera and participate in class when we have online courses.
10. No Involvement of AI in this Course: Students are not required to use AI tools or related technologies in this course; therefore, no declaration regarding AI usage is necessary.
