COURSE GOALS & DESCRIPTION

中高級英文三閱讀為一門兩學分的學期課程，為幫助中高級程度之大一新生鞏固並精進其英文閱讀能力。透過大量閱讀，使學生學習在短時間能快速並正確地把握文章的大意與重點，拓展在不同領域的字彙及閱讀技巧；透過精讀，學生學習如何了解文章的具體及抽象意涵，討論與分析作者用意，進行批判式思考，並就不同主題與實際的世界互動。

This one-semester course is designed to help students at the high-intermediate level strengthen and enhance their reading comprehension skills. First, students will be taught how to efficiently and accurately identify main ideas and crucial essential information of a wide selection of articles on a variety of topics, thereby expanding their vocabulary and honing their note-taking and graph-deciphering skills in various fields. Furthermore, they will also be taught how to interpret the words and structures so as to appreciate the portrayed images and intended meanings. Finally, they will learn to infer authors' opinions for in-depth discussions and objective evaluations. By the end of the semester, these upper-intermediate level students will be able to think critically and to express their opinions compellingly on various global issues.

CLASS RULES

1. Regularly attend classes, fully prepare for lessons, and actively participate in class activities. Your attendance grades are based on your contribution to class discussions.
2. Keep up with the class. Absence from a class is no excuse for unfulfilled and overdue assignments.
3. Plagiarism and cheating on an exam are unacceptable. Students who plagiarize or cheat on the exam will get a zero for that assignment and exam.
4. Notify the instructor with a valid reason in advance if you cannot show up for an important exam or presentation. If you fail to do so, there will be no make-up exams or presentations. Apply yourself to a group presentation or you will receive no grade on the presentation.
5. Submit your homework assignments on time. No late submission will be accepted past a grace period of a week. For overdue assignments, you will be marked down by 40% of your original scores.
6. Use your mobile devices only for educational purposes, relevant to the subject or tasks.
7. Generative AI is allowed in limited instances with appropriate attribution. In assignments in which AI tools are allowed, you must clearly identify what parts of the assignments were AI generated and how it helped you.
