Course Aims / Description

Objective—This one-year course is designed to enhance students' overall English competence through listening, speaking, reading, and writing activities plus grammar review and vocabulary development. A uniform textbook plus a self-access learning project will be used to provide opportunities for students to practice language learning strategies, get exposed to English in any form, and develop their confidence and fluency while they are performing various language tasks in the classroom and outside the classroom. After having taken this course, students are expected to consolidate their knowledge of English language and engage themselves in authentic communication.

Requirements—Students are required to prepare the designated learning activities BEFOREHAND, REGULARLY attend the class, ACTIVELY participate in classroom activities, and complete each assignment ON TIME. Aside from class participation and practices based on the textbook, students are encouraged to work on a self-access learning project based on designated videos, reading texts, and online English-learning materials
