Requirements & Rules

1. Class attendance, lesson preparation and active class participation are required.
*I will take attendance once in a while throughout the semester. If you are all present whenever I call the roll, you will get **90** (i.e. the primitive score) in this category (i.e. Class attendance). If you are absent for **two hours**, **30 points** will be deducted from this primitive score. If you are absent in case of uncontrollable situations (e.g. illness, emergency, important occasions, etc.), please give me **the valid proof WITHIN TWO WEEKS**. Your health insurance card with correct stamp of date by accredited hospitals can be seen as a valid proof. Being late for more than 20 **minutes** is treated as absence from that hour (**15 points** will be deducted). If you are absent for more than 10 **hours without any proper reason, you will probably be flunked. If you are absent 5 times, you'll receive 0 on attending including bonus points. (Constantly asking for a leave without any proof or legitimate reason will not be accepted.)**
2. Absence from a class is no excuse for not knowing the assignment and what has been discussed

in that class. **It is your responsibility to ask your classmates or me what has been covered in the class or what the assignment is going to be because your instructor will explain everything clearly in the beginning of the semester; also, I usually remind students at least one week before the assignment in class together with a reminder via email. Please ask your teacher what the assignments are face to face instead of keeping emailing me back and forth so as to avoid confusion.** (對於課程有任何問題,歡迎下課當面問老師, 老師都會提醒同學但是也請同學自己務必要去詳細的看清楚這些說明及評分規定)

3. **Cheating** on the exam is **absolutely not permitted**. If someone is found cheating on an exam, it means he/she will get a zero point for that exam.
4. There will be **no make-up exams** unless you have valid and official reasons for absence **beforehand**.
5. The handouts I give you should be kept at least to the end of this semester for later reference or final exam if there are printed ones; however, all the handouts will be provided online via the Google Drive if the instructor does not print the handouts for you.
6. Please **turn off** your **cell phone** during the two-hour class period.
7. **學生使用 AI 的條件** AI-assisted reports and assignments are: Students are allowed to gather more ideas via ChatGPT to brainstorm when doing reports or presentations as well as correction on their English grammar usage.
