| <p>一、課程說明</p> | <p>Without online shopping and 7-11, do you know where to satisfy your daily life? Most of the students have no idea, because the convenience of life makes us forget these common sense, so that we are out of touch with our long-accumulated living culture. The fact that people are rapidly losing their traditional culture due to changing lifestyles is happening to us. The purpose of this class is to bridge the gap between modern people and traditional culture and to prevent us from treating our living space as strangers.</p> <p>Our city, Hsinchu, once had a rich cultural heritage. It has been under the rule of the Qing Dynasty, Japanese colonization, and the government of the Republic of China. The characteristics of the different eras have shaped the life of Hsinchu today.</p> <p>In the course, we will walk through the temples, alleys and buildings of Hsinchu in a situated learning style. We will learn about the culture, history and life in Hsinchu. At the end of the course, students will be asked to create a map of their life in Hsinchu as a guide for Travelers and to assess their grades.</p> |
| <p>二、指定用書</p> | <p>The course materials are self-prepared handouts, which will be provided to students upon confirmation of course selection</p> |
