八、教材資源	台灣光華雜誌: https://www.taiwan-panorama.com/ TaiwanPlus https://www.taiwanplus.com/ American Rhetoric https://www.americanrhetoric.com/ Economist https://www.economist.com/ TED NPR https://www.npr.org/programs/ted-radio-hour/
九、學生使用 AI 的規則	AI Usage Policy and Ethics Declaration Students must briefly explain how they used generative AI for idea generation, sentence refinement, or structural reference in either the 'footnote of the title page' or 'after the cited references' in their assignments or reports. If it is found that AI was used but not indicated in the assignment or report, the teacher, school, or relevant units have the right to re-evaluate or disregard the assignment or report. If any course materials or learning resources in this class have been generated using AI, the instructor will indicate this on the slides or verbally. Students who enroll in this course are considered to have agreed to the above ethical declaration.
